RE: McGill v. Liciardello, et al.
No.: 12-5690
And related narcotics squad cases

Dear Judge Diamond:

This will confirm that, while we have reason to believe there is an ongoing federal, state and/or Philadelphia Police investigation of defendants, Philadelphia officers in the above captioned matter, we have no additional information to provide at this time. For obvious reason, law enforcement entities are often reluctant to advise on the existence and/or progress of investigators.

If Your Honor has any questions or concerns, please feel free to contact me.

Respectfully,

A handwritten signature of Lawrence Krasner in black ink, written over a horizontal line.
